

# OMC Monaco

## Capital | Thermal

Working with Halsion on the spectacular head office fit-out for a global chemical company in Monaco, with Knight Build as the main contractor.

Capital Thermal provided Thermal Insulation, Trace Heating, and Stainless Steel Exposed Cladding.

This high-spec project demanded exceptional craftsmanship, reflecting our commitment to precision, expertise, and adaptability.

Overall services provided on this project include:

Thermal  
Insulation

Stainless  
Steel Exposed  
Cladding

Trace  
Heating
